

Seal of Export Experience

PromArgentina awards the Seal of Export Experience to companies that demonstrate **sustained participation in, and active commitment to,** Argentina's trade promotion and internationalization strategies.

This Seal distinguishes **companies that have consistently worked with PromArgentina** participating in international trade shows, positioning Argentina's exports in global markets, and strengthening the country's presence worldwide.

Companies can showcase their track record, continuity and experience in **developing international business with institutional support** by displaying the Seal at their stand.
